YOUTH SERVICES SYSTEM, INC.

**YOUTH SERVICES SYSTEM, INC.**

# YEAR IN REVIEW

Often, the youth who cross the threshold of Youth Services System, Inc. (YSS) are not doing so on their own accord. They may find themselves in a school counselors office mid-day only to be told they won't be going home and will be staying in a safe place until "things" can be sorted out at home. On occasion, they have been told to leave their home, just months after their 18th birthday and, if lucky, couch surf with friends. If they have been arrested or waiting on a court hearing, they may find themselves in our juvenile center.

In total, YSS operates two Emergency Youth Shelters, two Transitional Living Programs, Ronald C. Mulholland Juvenile Center, three recovery homes and over 25 programs in our central office building and out in our community.

"**Together We Can**" resonates from one of the emergency youth shelters and encompasses the entire agency. The cover of the Annual Report is a mural which is painted on a wall inside of Samaritan House. It was created over many hours of sitting at the table with the youth and staff as they engaged in conversations about what they want in their life and more importantly, what they need.

At YSS, our staff embrace **DIVERSITY**, offer **HOPE**, wish for **PEACE**, find **KINDNESS** is worth sharing and **RESPECT** one's self and others. This year, YSS was able to:

- **Provide Services to over 11,000 youth and adults**
- **Hold our 14th annual Celebrate Youth Festival with over 60 exhibitors and offer a free day at Wheeling Park**
- **Honor the Women's Giving Circle as our 2022 Good Samaritans**
- **Raise over \$23,000 through the Wheeling SleepOut for our Transitional Living Program**
- **Register three new Safe Place sites**
- **Match 20 youth mentor/mentees**
- **Distribute nearly 500 Naloxone Kits**
- **Continue the annual Logan's Legacy Blood Drive**
- **Open Outpatient Therapy services to the public**
- **Relocate Samaritan House to 54 Indiana Street, Wheeling Island**
- **Be designated as the Region 1 Prevention Lead Organization for the WV DHHR Bureau for Behavioral Health**
- **Lead the Ronald C. Mulholland Juvenile Center students through a NASA project and win an award**

This fiscal year brought about significant changes in leadership, including the stepping down of CEO, Tammy Kruse due to personal reasons and the appointment of Interim CEO, Jill Eddy. Life is full of changes and being healthy is the single most important aspect of life.

As the needs are different for each person who knocks on our door, our response is the same, we say "...yes...yes...and yes again". Quote from our founder, Ron Mulholland. The Mission of YSS is to create better futures for children, families, and our community. Our mission can only be accomplished with a strong and supportive staff, leaders in our community and board room and the generosity of donors. We choose to be steadfast when those who are enduring hardship ask for help. We must be willing to step outside our comfort zone to offer humanity, compassion and mercy. Thank you for supporting Youth Services System, Inc. **Together We Can, Together We Did!**

# MESSAGE FROM THE INTERIM CEO

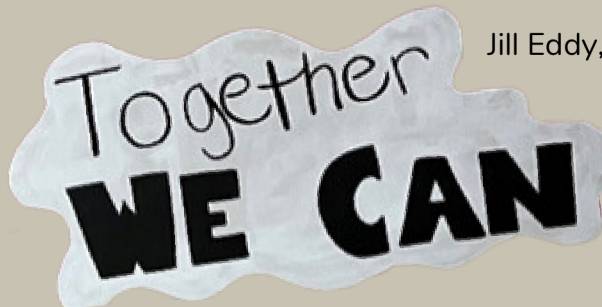

Success comes from blending different personalities, experiences and skills. YSS has been blessed with seasoned staff who are rooted in tradition and committed to our mission. We are also fortunate to have added passionate, experienced and skilled individuals to our team.

Transition is defined as the “process or period of change.” The challenge that we have now is coming together to strategically plan for our future. It is an exciting time that I view as an opportunity to enhance quality of services, efficiency and promote growth.

I want to thank each of you who have committed to our mission, “To create better futures for children, families, and our community.” I also want to thank the individuals who have brought perspective and ideas to the team. I learn from all of you each and every day. The impact that we have is not possible without great staff, volunteers, donors and our community. Let’s be an example of collaboration for our children and leaders as we prepare to celebrate 50 years of service!

Thank you,

Jill Eddy, Interim Chief Executive Officer

# Celebrate Youth 2022

The **14th Annual Celebrate Youth Festival** was another success for our community. Thousands of children and families attended, and everyone who attended the event received a free wristband to Wheeling Park. We also supplied food, entertainment, school supplies and information from over 60 exhibitors. For some, this may be the only chance all summer to experience a fun, free day of vacation. School supplies on average can cost up to \$600 or more each year for children in K-12, according to a 2022 Deloitte Back to School Survey. We were able to provide children school supplies, so families felt more at ease. We are grateful to continue this tradition due to the support from our sponsors, staff and volunteers.

The **2022 Good Samaritan Dinner** honored the **Women's Giving Circle.**

The nonprofit was founded so that young girls and women have the resources they need to grow up to be healthy, strong and educated. The organization also likes to recognize gender disparities in our community and advocates for gender equality.

Whether they are supporting girls by teaching golf, securing food for senior women, providing parenting skills to young moms, providing housing for displaced youth, helping women access healthcare, or helping girls get their driver's license, the Women's Giving Circle has provided countless resources to our community.

**The West Liberty University Women's Basketball team helped collect winter items for YSS at a home game, then teamed up with Paree Insurance and Panhandle Restoration and hosted a "Stuff the Truck" donation drive at Walmart in The Highlands. Then the groups brought the items back to YSS to sort for our Sophie Moses Free Store and The Life Hub.**

**The Robbie Clayton Memorial and Main Street Bank continue to donate essential items to YSS in Robbie's memory. Robbie was known for being selfless and always giving back to his community. His mother, Renee, keeps his legacy alive by continuing Robbie's selflessness.**

**(L-R: Nick Sparachane of Main Street Bank, Tammy Kruse of YSS, Renee Clayton [seated] with Robbie's Wish and Main Street Bank, and Ryan Herron of Main Street Bank)**

Community members are constantly volunteering their time to help YSS. The top picture shows a group of Wheeling University Women's Soccer team sorting through clothes for our Sophie Moses Free Store. YSS constantly receives donations and the need for volunteers stays steady. Kindness

The Wheeling Girl Scouts Troop 10135 made blankets for youth at our Ronald C. Mulholland Juvenile Center. The girls chose their materials and worked as a team to make many blankets. One troop member gave away the blanket she made before coming in to someone who was on the street and cold.

The Wheeling Island Casino General Manager and Casino President Kim Florence (R) presented Tammy Kruse, YSS (L), with a check for over \$6,000. The casino named YSS as their recipient of Game Changers. The award is given quarterly.

# Respect

YSS is the **only** licensed Safe Place provider in the state of West Virginia. The addition of three new sites, two at the Weirton Fire Department (both the Headquarters Station and the Gilson Avenue Station) and one at the Brooke Hancock Family Resource Network, will bring the Safe Place sites within the network up to **25 total locations**.

As the West Virginia Region 1 Prevention Lead Organization, YSS is responsible for four County based Substance Use Prevention Coalitions. This year was the region's first Harm Reduction Summit. All four Coalitions attended the full three week course that took place in Wheeling, Morgantown, and Glade Springs. Community Anti-Drug Coalitions of America (CADCA)'s National Coalition Academy (NCA) is a year-long innovative training program that combines three-weeks of classroom training, distance learning, and web support to teach participating coalitions what they need to know and what they need to do to enhance and sustain a highly effective anti-drug coalition.
